Frequently Asked Questions & Answers

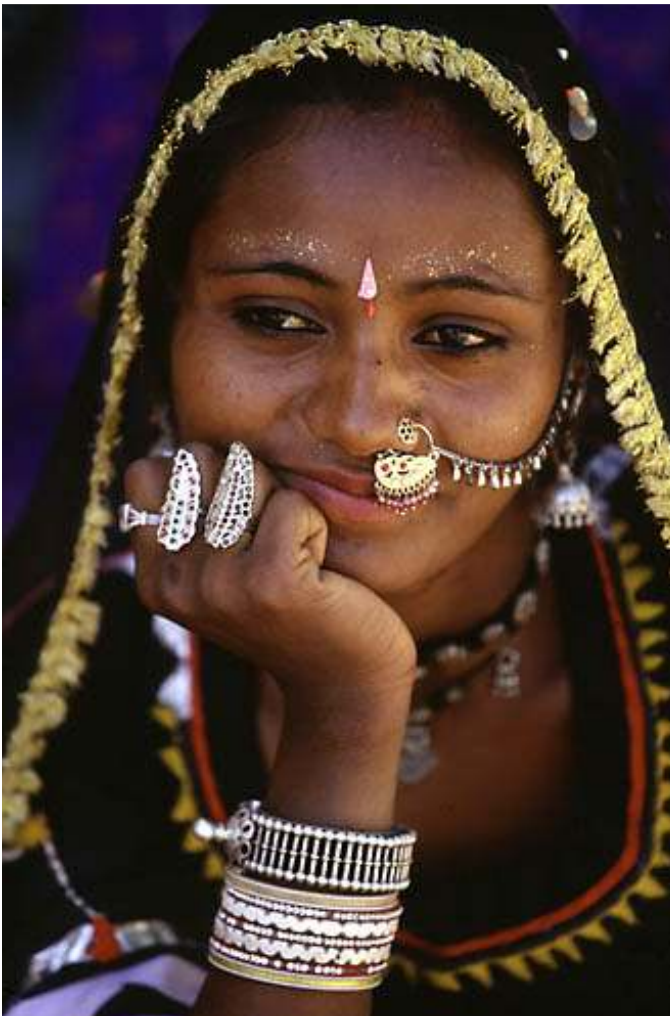

First, ask yourself...

How long should I spend?

Unless you have more than two weeks to travel, think twice before planning a whirlwind tour of several destinations or countries in the Indian sub continent. You must remember the region is as big and diverse as Europe. Background reading and a review of our Tailor Made Holiday options may help define how much time you'd like to spend. We have avoided a strict modular approach to defining these options as our philosophy of Tailor made Holiday planning is to provide you with the utmost flexibility. Still, these brief descriptions will give you an idea of some of the attractions of a given area, the difficulty, and an appropriate amount of time to spend.

Where should I go? What should I do?

This is the tough part, and we'll help! Review Tailor Made options. We can combine anything you see in our itineraries listed on our online brochure. If you have other ideas or interests, contact us for more information and we'll work with you to plan your trip.

Then, ask yourself...

What will it cost?

Land costs for most Tailor Made Holidays run between US \$ 75 and US \$ 500 per person per day, based on two people traveling and sharing moderate to luxurious accommodations. For this, one can expect private locally-guided tours by individual English or French/German/Spanish/Japanese speaking guides at destinations of tourist interest, Entree fee to places of tourist entrance like monuments, museums, national parks. Transportation by individual Chauffer driven cars / vans. Some meals and all Hotel Accommodation. Pricing varies depending on the specific services requested, class of Hotels, number of persons traveling and season of travel. Tailor Made Holidays are quoted on a package basis. In most cases, we cannot provide detailed cost breakdowns.

What about accommodations / difficulty level?

the descriptions of our Tailor Made Holiday ideas include the following ratings for general difficulty level: **Easy:** Flights / Vehicle based touring or walking on flat or gently graded terrain for up to a 1 or 2 hours. Comfortable accommodations with private bath facilities. **Moderate:** Longer days of more rigorous touring, perhaps very rough roads or longer, steeper walks, some travel by overnight or day trains. May include stay in simple hotels with basic facilities at some destinations in camps with good facilities. **Difficult:** Strenuous horse or camel riding, walking in mountains or lowland jungle for more than five hours a day. May include extensive camping or stay in lodges with basic facilities.

Will you stand behind me while I'm traveling?
